

LOVING MANKIND ONLY

A few weeks ago, we learnt about a group of people that didn't love their fellow sisters and brothers or Mankind. They **only loved God**.

But then, they were taught to love Mankind as well.

This week we will learn about a different group of people.

THE OTHER GROUP

Like the group that only loved God, there is another group of people that **only love Mankind**.

These people are called **Levites** and **Nethinims**.

The same way that the group that only loved God was taught to love Mankind, the Levites and Nethinims **will also be taught to love God**.

The book of Matthew tells us that there are **2 Important Commandments**.

Matthew 22:37-39

37 Jesus said unto him, **Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.**

38 This is the first and great commandment.

39 And the second [is] like unto it, **Thou shalt love thy neighbour as thyself.**
