

*The Story of the Good Samaritan.*

Story time! - the Good Samaritan

There once lived a lawyer and he went and asked Jesus ,What can I do to have eternal life.

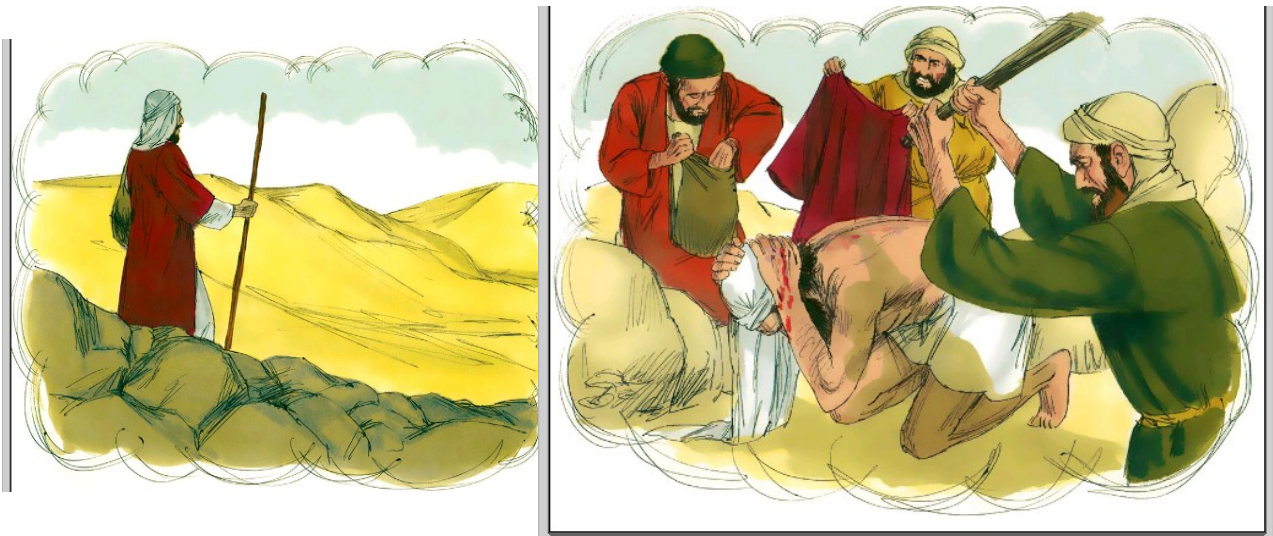

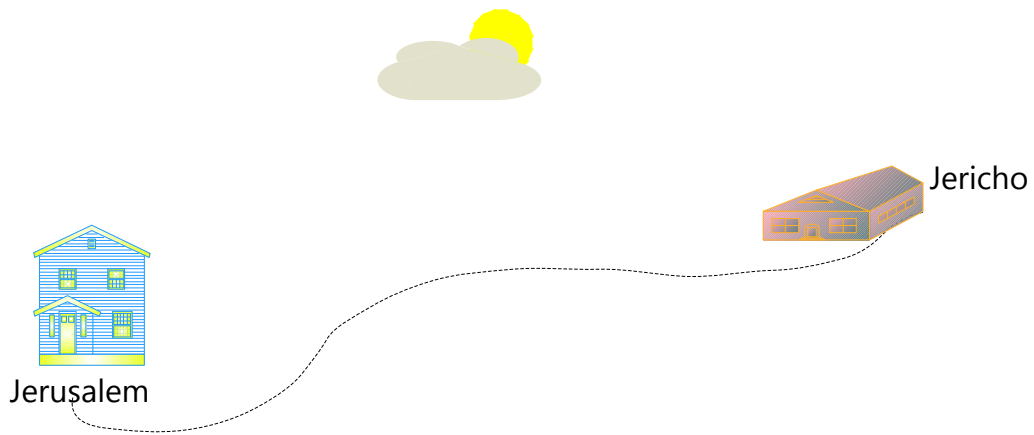

And then Christ asked this lawyer "what is written in the bible".

And the lawyer answered and said "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbour as thyself." And this was indeed true. But the lawyer asked Christ a tricky question so that he could trap him ,and the question he asked was "who is my neighbour"

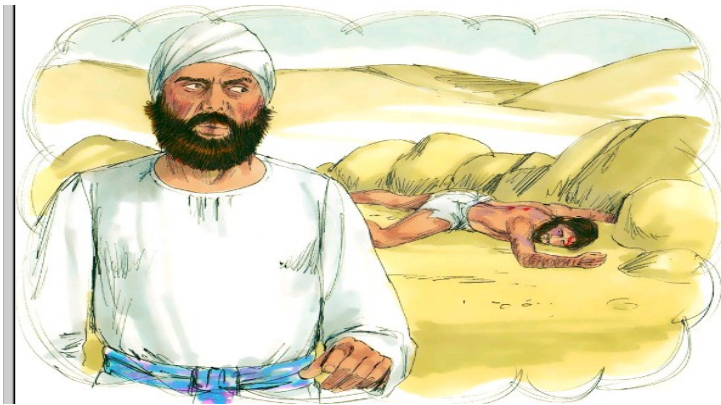

So the Lord answered him using the parable of the good Samaritan and He said "A man was travelling from Jerusalem to Jericho and he got attacked by thieves , and these thieves left the man hurt and sad

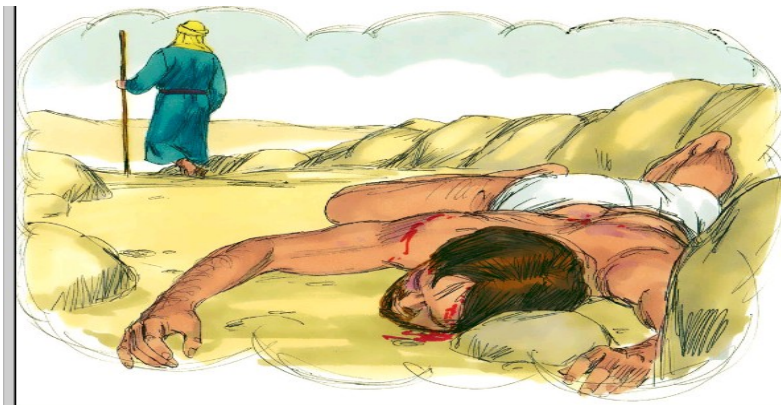

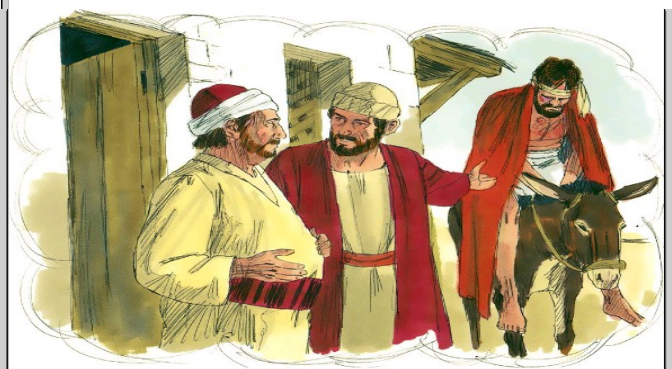

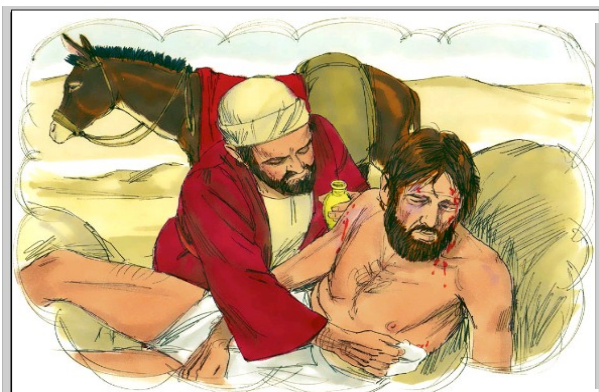

As the man was left hurt on the ground , there were two people who came one after the other , first there was a priest who passed him , and he left him without offering any help

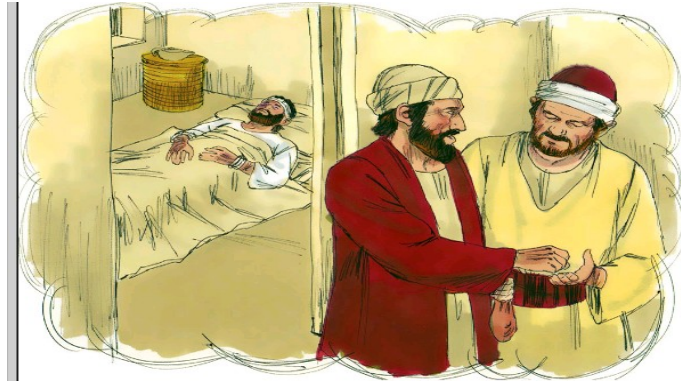

and then a levite came and he also passed him without offering any help too.

But there was one good man who passed , and this was the good Samaritan , he saw the man who was lying hurt on the floor and he helped him by covering up his wounds by pouring oil and wine ,and he put the wounded man on his donkey and carried him to the clinic [inn].

The good Samaritan gave the person at the clinic[inn] two pence so that he could take care of the man who was wounded .

THE END!!!
