

The Ten

Commandments

The 10 commandments are God's law.

They are split into 2 parts.

One part tells us that we should love

God

The other part tells us that we should love

Mankind

The First 4

The first 4 commandments tell us how we should love God.

The last 6

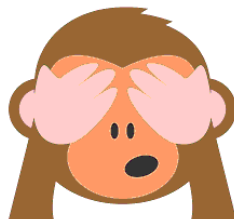

The last 6 commandments tell us how we should love Mankind.

1 John 4:20

If a man say, I love God, and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen?

John tells us that we cannot love God who we can't see,

unless we love Mankind who we can see.

We need to love our neighbours if we want to love God.
