

# Who is your neighbour?

What is a Neighbour?

1. A neighbour is **someone that lives near us, but also any person that we meet.**

2. We can also say that a neighbour is **any person that needs our help.**

# HELPING HANDS

A woman by the name of Ellen. G. White says that **our neighbor is every person who needs our help, anyone that has been hurt and everyone that is the property of God.**

## EXAMPLES

### Examples of Neighbours

1. An example of a neighbour, is someone that has fallen down and got hurt after running.

2. Another example of a neighbour, is someone who needs help spiritually.
