

## The Structure

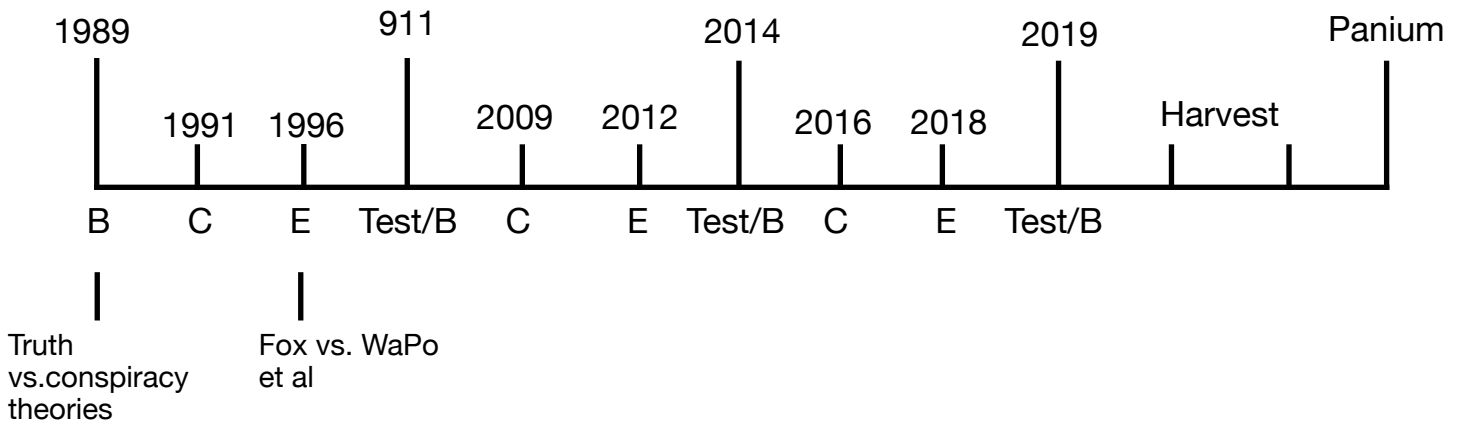

- Line of 144k gives five primary waymarks.
- Millerite history can be superimposed on this line.
  - Boston Concord, Exeter, and the test on October 22nd fall between SL - CoP.
  - Similar structure seen from 1798/1989 - Apr 19/911.
  - The characteristics of BCE & Test are similar to 1989-911.
    - Boston = message unsealed but not fully understood.
    - Concord = increase of knowledge (begins in Boston).
    - Exeter - message empowered.
    - Oct 22nd - CoP; Test; two classes.
- GC identifies a death decree (DD) and the giving of definite time for the SC just before the SC.

*As the Sabbath has become the special point of controversy throughout Christendom, and religious and secular authorities have combined to enforce the observance of the Sunday, the persistent refusal of a small minority to yield to the popular demand will make them objects of universal execration. It will be urged that the few who stand in opposition to an institution of the church and a law of the state ought not to be tolerated; that it is better for them to suffer than for whole nations to be thrown into confusion and lawlessness. The same argument many centuries ago was brought against Christ by the "rulers of the people." "It is expedient for us," said the wily Caiaphas, "that one man should die for the people, and that the whole nation perish not." John 11:50. This argument will appear conclusive; and a decree will finally be issued against those who hallow the Sabbath of the fourth commandment, denouncing them as deserving of the severest punishment and giving the people liberty, after a certain time, to put them to death. Romanism in the Old World and apostate Protestantism in the New will pursue a similar course toward those who honor all the divine precepts. GC 615.2*

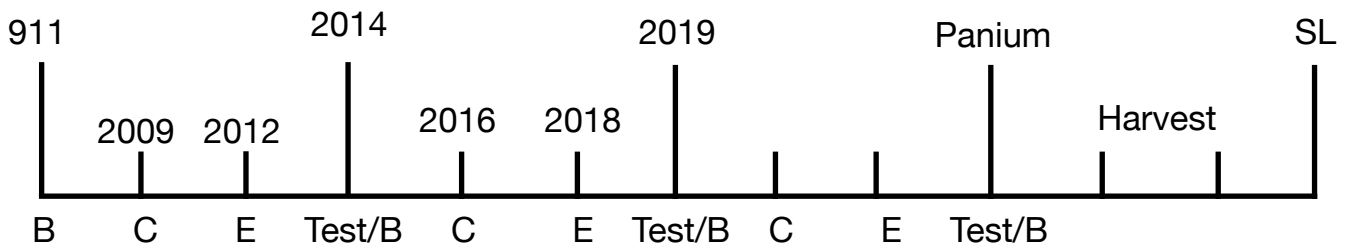

*The voice of God is heard from heaven, declaring the day and hour of Jesus' coming, and delivering the everlasting covenant to His people. Like peals of loudest thunder His words roll through the earth. The Israel of God stand listening, with their eyes fixed upward. Their countenances are lighted up with His glory, and shine as did the face of Moses when he came down from Sinai. The wicked cannot look upon them. And when the blessing is pronounced on those who have honored God by keeping His Sabbath holy, there is a mighty shout of victory. GC 640.2*

Soon there appears in the east a small black cloud, about half the size of a man's hand. It is the cloud which surrounds the Saviour and which seems in the distance to be shrouded in darkness. The people of God know this to be the sign of the Son of man...

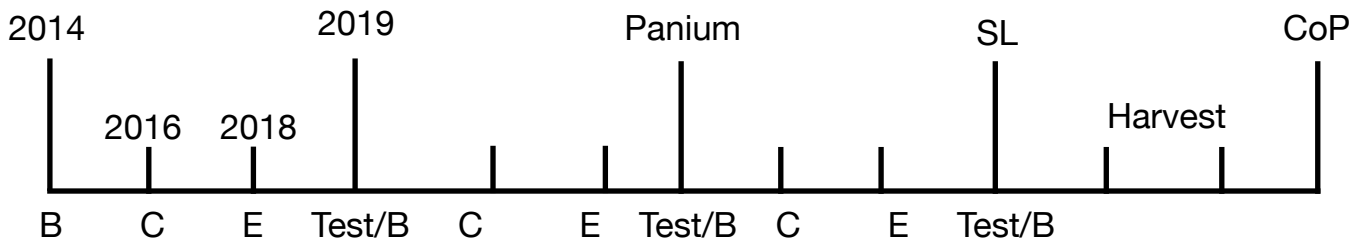

- Thus a structure similar to 1989-911 and SL-CoP is seen between CoP-SC.
- Three witnesses show that the same structure must be seen between 911-SL.
  - Concord = M (2019). Exeter = MC.
  - Some have doubted the existence of these way marks because they are not seen in line of 144k **\*\*flesh out\*\***.
    - Raphia and Panium are not M or MC for any of the three groups tested.
    - These way marks are seen as M and MC in the line of the structure (Acts 27).
- \*Superimpose agricultural model\*
- The same structure is seen in the line of the priests below.

- Levites below.

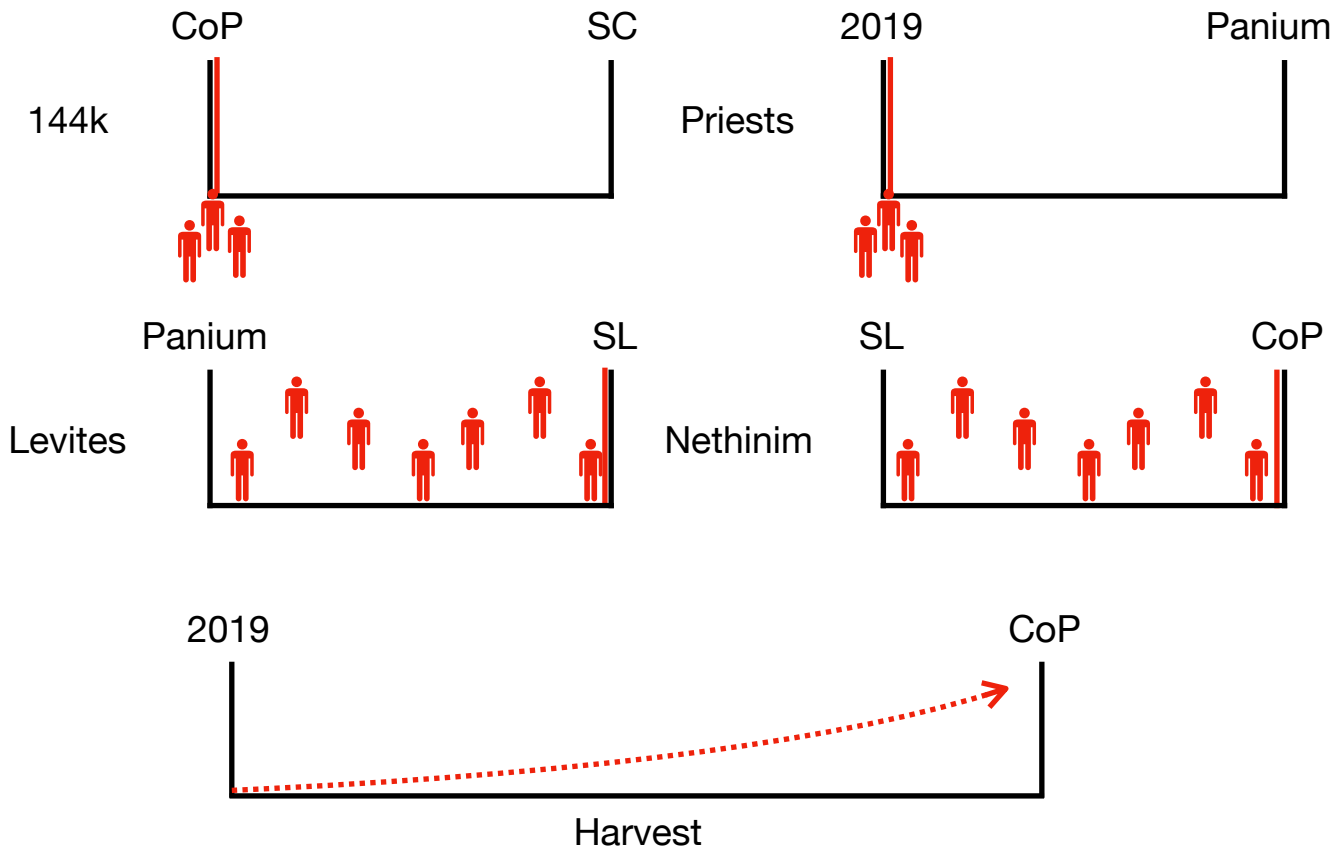

- Nethinim below.

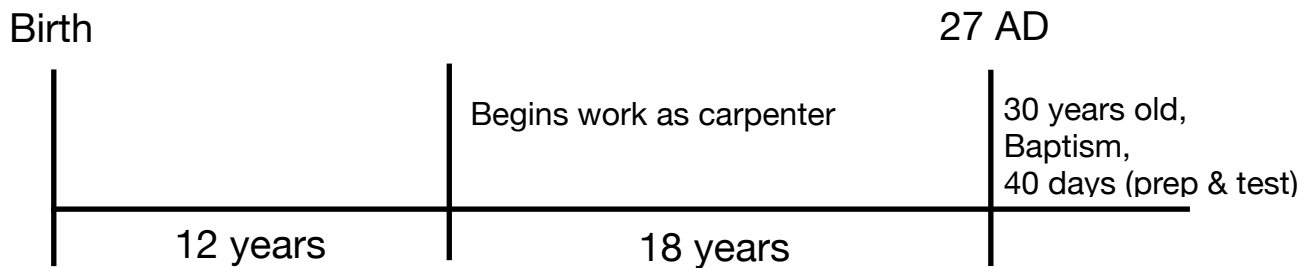

**The Harvest**

- 144k are in the movement before the close the probation and they close their probation as a group at CoP.
  - Priests grow within the movement and close their probation as a group at a point (2019).
- Levites are not part of the movement. They join during their harvest and close their probation individually as they join.
- The nethinim like the levites only join the movement during their harvest and they close their probation individually as they join.

- The priests close their probation at a point in time (2019) but their harvest is a period from 2019 - 2021.
  - Their harvest represents an experience they go through as preparation to harvest the levites at Panium (2021).
  - This work of preparation is more clearly seen in the history of Christ.

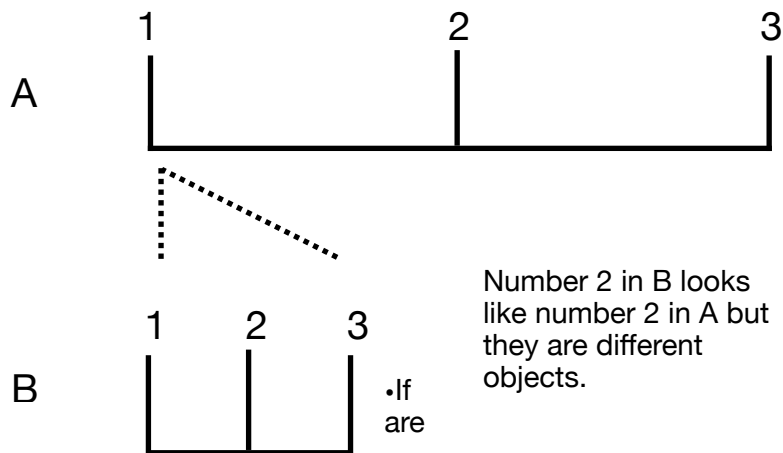

- Birth = 1989; beginning of building = 9/11; Baptism and commencement of work as a priest = 2019.
- When Christ was baptized (2019) He did not immediately begin evangelizing. He continued in hiding as He went into the wilderness for a further period of test and preparation.
- Christ's wilderness experience is a type of what the priests are going through now.

*When Jesus was led into the wilderness be tempted, He was led by the Spirit of God. He did not invite temptation. He went to the wilderness to be alone, to contemplate His mission and work. **By fasting and prayer He was to brace Himself for the bloodstained path He must travel.** Bt Satan knew that the Saviour had gone into the wilderness, and he thought this the best time to approach Him. DA 114.2*

### **The Close of Probation:**

- 2019 is October 22, 1844 and the CoP.
- Some think this means 2019 marks the end of Christ's intercession for the priests.
  - Panium is the SC but Christ is not literally descending at Panium.
  - Only certain characteristics of the SC are seen at Panium.
  - Only certain characteristics of the SL are seen in 2014.
  - Therefore only certain characteristics of the CoP are seen in 2019.
  - Line of priests is a fractal of that of 144k. SL in 2014 looks like SL in line of 144k but they are not the same.

Number 2 in B looks like number 2 in A but they are different objects.

•2019 is a prophetic/symbolic CoP. the preceding tests failed one places themselves in a

position

where they cannot receive additional light.

- Therefore if one commits moral sin after 2019 there is still intercession and forgiveness.
- The end of intercession is Dan 12:1 when Michael stands up. 2019 is a prophetic test.
  - Panium is a prophetic test for the levites and the SL is a prophetic test for the nethinim.
  - A nethinim who receives the message at the SL passes the prophetic test. It does not mean they have everything in order at the moral at that point.
- Not saying morality is not important - as one accepts the message they change morally.
  - If you were racist before receiving the MC you will change. If you were sexist before receiving the MC you will change.

### Prophetic Time:

- At each phase in the structure a message is unsealed. The message also has a time element.
  - 1989-911 = Daniel 11:40-45 and reform lines. **Time** of the End Magazine.
- 911 - 2014.
  - 911 the 2520 is unsealed.
    - The test in this phase is 2520 and timesetting.
  - 2009 is Concord. Parminder gives loK on the 2520.
  - 2012 is Exeter. Definite time is put in place/empowered by 126 and 151 leading to 2014.
  - 2014 was the test on time.
- 2014 - 2019.
  - Time is seen but time itself is not the test.
  - Our test is conspiracy theories and politics (racism and sexism).
  - 2014 - Ezra 7:9 (gives M-MC). At MC/Image of the beast the constitution is removed.
  - 2016 - Trump - the president who would bring down the constitution.
  - 2018 time is brought to view - also MC challenging our ideas about politics (racism and sexism); externally these issues are seen being agitated within the United States.
    - Also important to see that the issues or race and sex are part of the constitution (slavery and women's suffrage)
  - 2019 is the date the test papers are handed in.
    - Note the the test on Dan 11:40-45 was in 1996 not 911.
  - To understand the test one must go the beginning/ploughing - Time of the End Magazine as the seed.

### Two Streams:

- Two streams are based on the concept of the Ulai and Hiddekel in ToE mag (1996). One leads to life and the other leads to death.
  - Two streams in SDA - the truth and conspiracy theories (Veith).
    - Conspiracy regarding 1989 - that it was an inside job.
- Two streams seen externally
  - In 1989 Murdoch sets up his first paper in the UK (Sun)
  - 1996 - Fox News opens; CNN, NYTimes, WaPo go online.
    - Fox News broadcasts conspiracy theories. True stream promotes liberal principles (freedom).
- Levites and are also required to see the two streams (911-2014).
  - They were ploughed by the external events and the two streams communicating them.
  - They are presently receiving their early rain in the same way
- Nethinim are also required to see the two streams.
  - They are being ploughed wholly by external events as communicated through the two streams.
  - 1989 two streams are seen in light of fall of USSR - the truth and conspiracy theories that it was inside job.
